Our Vision

The vision of Wealth Watchers Inc. is to positively impact and be a support system for individuals and families to achieve their self-determined goals with a measure of significant control over the processes.

Who We Are

Wealth Watchers Inc. is a HUD-certified Housing Counseling and Community Development Organization formed as a nonprofit 501(c)(3) in December 2001. The formation of the nonprofit was a result of a series of meetings of local financial service professionals who believed that education was the foundation for financial success as well as community and economic stability. Based in Jacksonville with services available throughout Florida and Georgia, the Wealth Watchers staff is committed to providing a cyclical approach to building wealth among citizens.

Wealth Watchers Inc. is excited to host the 2026 On the Green Golf Classic. This is an opportunity to connect the rural and urban communities on the beautiful course at Hidden Hills Golf Club. For many years, golf was considered an exclusive game for the elite. It has been synonymous with a certain kind of social and economic status. At one time, the course was a place meant for top executives or those with decision-making power. The game often lacked diversity. Some people of color were denied access to golf clubs across the country.

Times have changed. Trailblazers such as Bill Powell, Calvin Peete, Tiger Woods and Conan L. Sanders have made an impact on the sport. They helped open the door on and off the course. Now, companies like Wealth Watchers are at the table making decisions and breaking barriers.

Sanders will once again serve as the On the Green tournament director. He is a golf professional who has seen success playing on the Sunbelt Senior Tour and various other Senior Mini Tours. Sanders currently serves as an instructor and coach with NIKE Leadership Camps. He is also an instructor and trainer at First Tee of Augusta.

CONAN L. SANDERS
TOURNAMENT DIRECTOR

THE C.O.F.F.E.E. PROJECT

About Our Program:

The C.O.F.F.E.E. Project, a workforce development and construction trade training program, is designed for out-of-school youth and young adults (ages 16–24) who seek to gain leadership skills, workforce preparedness and construction trade training while earning an income that will improve their quality of life. This program helps young people achieve their financial goals through education and training. It is open to individuals who reside in Duval, Baker, Clay, Putnam, St. Johns and Nassau Counties. A portion of the proceeds from the “On the Green” Golf Classic will go to the C.O.F.F.E.E. Project.

**CHANGING LIVES,
ONE STUDENT AT A TIME**
